19th September 2018

Dear Parents/Carers,

Steps to Success Evening - Thursday 4th October 2018

To support your son/daughter with preparations for their GCSE exams next summer, we are holding an important information evening for all parents and carers on Thursday 4th October 2018.

This information evening is called 'Steps to Success' and has been designed to share information about:

- Expectations of students in Year 11
- Key dates and deadlines this year
- Booster and catch up sessions for students – How to make the most of the support available.
- Revision strategies and how to support your child at home
- Pathways beyond Year 11 and CLF Post 16

In order to support students, it is vital that all parents/carers attend this information evening on Thursday 4th October 2018 at 7pm in the Main Hall. If you attended the event we ran last year for Year 10, this session will cover new and updated items regarding supporting your child in their GCSE courses. This event will last an hour.

Evidence suggests that parent/carer support is eight times more effective than other indicators in helping students achieve their potential, so we really value you being able to take time to attend this event which is specifically targeted towards your child at this pivotal point in his/her educational career.

If you would like to discuss details of the evening further, please do not hesitate to contact me via email s.hutchinson@hanhamwoods.academy.

Yours sincerely,

S. Hutchinson
Assistant Principal
Raising Achievement and KS4 Progress
